User prompt: Largest Indian Pharmaceutical Manufacturers of Dapoxetine in its finished commercial form (Example: Poxet by Sunrise Remedies Pvt. Ltd.)?

Response: India is one of the world's primary producers of finished pharmaceutical formulations of **Dapoxetine** (a fast-acting SSRI indicated for premature ejaculation). Commercial finished forms are manufactured as both standalone single-active tablets (typically 30 mg, 60 mg, or 90 mg) and fixed-dose combinations (commonly paired with Sildenafil, Tadalafil, or Avanafil).

The market is split between **tier-1 mainstream Indian multinational pharmaceutical corporations** (domestic prescription market) and **specialty formulation/export leaders** (international and specialty retail supply).

1. Mainstream & Tier-1 Indian Pharma Giants

These are large, publicly listed or major multinational Indian pharmaceutical companies with extensive domestic distribution across India:

- **Sun Pharmaceutical Industries Ltd.** (India's largest pharmaceutical company)
 - **Flagship Brand:** *Duralast* (30 mg and 60 mg tablets)
